

ISA's Dedication to Clients

With almost 50 years of proven industry leadership and expertise in delivering investment strategies, Lincoln Investment is a broker/dealer of choice. Our network has grown to over 1,100 financial advisors nationwide, and we serve the diverse financial needs of over 320,000 clients representing nearly \$32 billion in assets.

At Lincoln Investment, we treat each client relationship as the most important part of our business. We're proud to be recognized as one of the fastest-growing independent broker/dealers in the industry, and we stand out in our community as a top workplace for employees.

Our Investor Services Advisor (ISA) Team

Based in our home office in Fort Washington, PA, our Investor Services Advisor team (ISA) is comprised of dedicated, results-driven Lincoln Investment advisors who work with individuals and families to help you achieve your longterm financial and retirement goals.

ISA's Mission & Culture

Put simply, we believe that our job is to help clients. Every decision we make starts there. Our goal, in turn, is to lead clients to make great decisions that improve your financial health, and bring you and your family closer to achieving your financial objectives — through education, advice, and ongoing support. We do this by fostering a culture of leadership, innovation, flexibility, and collaboration.

ISA's Commitment

Our advisors are committed to offering you the highest-quality products, services, and technology-based tools in the industry. You can count on us to deliver results that bring about positive change — and keep you on the path to financial security.
